

# Mark REGO Athletic Scholarship

School Year 2024-2025

The REGO Athletic Scholarship Fund was established in 2018 to provide opportunities for student athletes in the Evergreen School District. The fund has expanded to now include Battle Ground School District. This award is named in honor of Mark Rego, who dedicated his life to the youth of Clark County. He not only had a passion for teaching the love of football but more importantly how to be successful in life.

Scholarships will be awarded to graduating seniors who will be pursuing further education post-high school.
